The 1966 Playground Close Ceremonies

Playground close ceremonies were held last Friday which included the presentation of awards to the Playground winners. Councillor

Ray Gibson presented the awards and Mayor Richard Fowler thanked all the Playground leaders for the nice job they

did during the 1966 summer session. A winner road was the final event under the supervision of the W. L. and the Mothers. The picture

shows Councillor Gibson during the presentation and Mayor Fowler during his speech with the W. L. ladies and mothers as the audience

Town Employees Do Not Except Contract Bi-Lingual Sign at Post Office ?

COUNCIL MEETING AUGUST 22,
by Dennis Neibbe,
C.U.P.E.

Mr. Lancaster spoke on behalf of the Canadian Union of Public Employees, Local 94. Mr. Lancaster stated that several points of the new contract were still under dispute and therefore the agreement could not be ratified tonight. Mr. Lancaster pointed out that some Town employees were presently working at much as 63 hours per week and that these people do not want to work more than 44 hours weekly. Mr. Lancaster also informed Council that the employees are no longer prepared to accept

the previously agreed upon wage increase of 4% now and 6% in 1967. The Union is now asking 6% immediately and 10% next year. Mayor Fowler said: "A public Council meeting is not the place to discuss a Union Agreement". The matter was referred back to Mr. Wheatley for further negotiation.

DRIVE-IN THEATRE

Reporting back to Council the drive-in theatre Mr. Wheatley explained that the Town cannot take any action which would prohibit the Sunday midnight shows. Councillor Deacon said he didn't feel we should restrict commercial endeavour anyway. He added: "Are we not overly concerned about something which happens throughout Canada?" Mayor Fowler said:

"We have a problem which we can do nothing about". The Mayor

said: "I sympathize with the people in Grandin Park. We are no closer to a solution now than we were 3 years ago". It was pointed out again that although the Town as such cannot take any action, any resident is within his rights to lay a charge either against the person leasing on the var form or against the operator of the theatre. A motion by Councillor Gibson that the people be advised what action they can take was carried. This finalizes this matter as far as Council is concerned.

ELECTION 1966

Mr. G. P. Moore was appointed Returning Officer. Mr. Moore held this position for the 2 previous elections. Nomination day will be Wednesday, September 21 from 11 - 12 noon. Mayor Fowler said that submissions from groups desiring a plebiscite on Sunday

sports would be accepted at the Town Hall.

PUBLIC MEETING

A public meeting has been arranged for Sept. 18, at 7:30 p.m. in the Recreation Clubroom to discuss Urban Renewal. Mayor Fowler said: "A lot of misinformation is travelling around down-town. We should possibly do a better job of public relations re: Urban Renewal.

BI-LINGUAL SIGN

Councillor Bakker referred to the recent controversy in Edmonton which arose over the Post Office sign which had the French above the English. Councillor Bakker said that in view of St. Albert's heritage this Town's Post Office signs should be made Bi-Lingual. He motioned that the

MAYOR'S COLUMN

AUGUST 30.

The Joint Ice Committee held their first meeting today and I must say that I am extremely pleased at the progress of this meeting. The Committee is made up of the two School Board Chairmen and their Superintendents and the Mayor and Secretary-Treasurer of the Town. It will be our duty to advise on policy and site of all recreation land and facilities in the Townsite. Mr. David Fraser Public School Board Chairman accepted the Chairmanship of the new Committee and I am certain that we can all expect an excellent job from him. From the outset it appears that the spirit of co-operation will prevail while still fulfilling our responsibilities to our elected body. It would not be right and proper for me to report in this column the outcome of each meeting before the elected bodies had an opportunity to act on the Committee recommendations.

With school starting on Thursday it is regrettable that the sidewalks have not been completed to our two High Schools. This is not the fault of the town or school board officials. It was only last week that we received the necessary approval from the Local Authorities Board to proceed with our total Capital Works Program. The Town still has no assurance that the money will be available from the Municipal Financing Corporation. This matter body does not meet for another month. Nonetheless I have advised our Secretary-Treasurer that we must proceed with the work immediately. So the first fine day you can expect to see crews of men proceeding with this sidewalk construction. The job should take about two or three days once we get at it.

In order that URBAN RENEWAL may be explained to those Property Owners most affected by it in the downtown area I have called a meeting for September 18 to be held at the Recreation Centre. While the Property Owners in the Central Area will be most affected the plan does concern the Town at large and it is felt that you would like to know the purpose and plan of Urban Renewal please feel free to attend. We will have officials from the Provincial Government, Central Mortgage and Housing, and our own Planner on the Edm., Regional Planning Commission staff to speak. It will undoubtedly be a worthwhile meeting.

TURTLES

The turtles are invading St. Albert. Look out in your houses and gardens. We received already 2 phone calls from residents who don't know what to do with these arrivals.

They have taken them to the SPCA where the owners can claim them. The phone number of the SPCA is CR 7-3349.

continued from page 1

Mayor wrote to the Postmaster General in this regard was carried. Mayor Fowler remarked that "possibly the signs should indicate 'One Way' as well."

KINDERGARTEN BUS:

Councillor Bakker informed Council that the small Kindergarten Bus is being forced to stay off certain residential streets. Mr. MacEwan, the Town Engineer, commented that the bus, which will travel these about 4 times daily "will definitely put a strain on the pavement". Councillor Donalds said: "We allow certain minors and school children to travel our streets." In answering with Councillor Bakker's motion that the bus "be locked into and that it may only be allowed on residential streets, Councillor Donalds added: "A 4 or 5 year old children must be picked up at the bus".

LEAVING ARRANGEMENT:

Councillor Parker noted that the Staff took into the feasibility of the Town leaving its vehicles rather than buying them. Councillor Parker said: "Then we went into a heating arrangement. It might be to our advantage".

PETITION.

COUNCIL MEETING NO. 12,

PETITION:

Secretary-Treasurer Mr. Wheating presented a Petition from property owners in the Open Town area, requesting Council to issue a Notice of Intent to certain streets immediately on St. Michael St., Thomas St., Grosvenor St. and Grandin Road. Mr. Bell was present on behalf of the petitioners. Councillor Donalds felt that Council should receive the petition and request a report from the staff on the validity of same, inasmuch as the petition was for a Notice of Intent and a petition had previously been signed by the necessary two-thirds of the property owners. Reference was made to a previous petition submitted by Mr. Jones for improving the conditions of the roads in this area and to the petition against the Notice of Intent issued by the Town for the oil graveling of the streets. Councillor Bakker felt that action should be taken on the petition unless a proper petition signed by the required number of signatures was submitted. Mr. Bell expressed his views on the necessity for street paving in the area, which he considered to be the heart of commercial development.

Council decided that until such time they have a petition which meets with the requirements of the Act, they do not proceed with either a Notice of Intent or the paving of the streets.

It was noted that Councillor Donalds opposed this resolution.

LETTER FROM MR. D. E. HULL - DIRECTED TO LARXCLORTE.

Mr. Wheating read a letter from Mr. Hull, in which he strongly objected to the proposed clearing of the lots at the rear of the property. Reference was made to the decision of Council to accept Resolution (438) by providing a turn-around at the end of the lot. Mr. Hull maintained that even with the turn-around his access would be restricted. He further stated that the matter could be resolved if a meeting between the parties concerned was held, however, he had met him with a rebuff from the developer in his efforts to arrange same.

Mr. Bell also advised that unless a satisfactory arrangement could be made this he would proceed

A report on this to forthcoming from the Town Engineer.

MUD - MUD:

The gas company has been doing a bit of excavating on Mount Royal Drive. Councillor Gibbons found this out when he drove into the open gas line site on Saturday night. After a 1 1/2 hour wait for a tow-truck, a soaked suit, shoes "that still aren't dry" and a RT. Alignment job on his car, the Councillor wants to know why there were no fences put out there at all. Says Mayor Fowler: "Mount Royal Drive is an awful road, how long is it expected to stay this way?"

Mayor Fowler also enquired about the weeping-tile run-off from the Troutline Home which flows down Marion Avenue and Mount Royal Drive. "A non-tax paying building is causing a problem for a whole 2 streets of revenue paying buildings", said Mayor Fowler. He added that because of the constant flow of water past their front doors, the mothers on these 2 streets "can't even expect clean floors during dry summer weather".

DOGS:

"Please forbid that I should ever bring up the subject of dogs", said Councillor Donalds, in reply to Councillor Donalds question. Mr. Wheating said he is satisfied that the R.P.C.A. do fulfill their obligation. Said Councillor Donalds: "The catcher should sit on my doorstep for 24 hours, he would have a bonanza".

With the appeal to the Minister.

Council then discussed the procedure to be followed regarding the tax abatement, whether to go to By-Law or Resolution, and decided that they will request the staff to report on the need for a By-Law at the next meeting of Council.

The matter of the tax abatement being dispensed with, Mr. Bell took his leave of the meeting.

REQUEST: MR. REES - PROPOSED MOTEL, ST. ALBERT ROAD.

Mr. Rees had been advised that utilities would only be installed on a prepaid basis and was invited to discuss his entire proposal with the Public Works Committee. Councillor Bakker read a letter from Mr. Rees dated July 4, 1966, requesting amortization of services estimated to the Engineer to amount to \$4,000.00. Mr. Rees also stated that the proposed design has been altered and that he is considering a motel construction similar to that of the City Centre Motel in Edmonton of brick with double story and covered facilities. Councillor Bakker was concerned about the original design sketches, as submitted, and felt that, before consideration could be given to any original, acceptable plan should a plan be submitted and that possibly, Mr. Rees should meet with Mr. Woodroffe and Mr. Roberts to obtain guidance in regard to the acceptable development.

The matter is to be discussed again during the Aug. 25th, Council meeting.

It was noted that Councillor Gibbons has appealed to this resolution.

JEARING OF AREA EAST OF GRANDIN CRESCENT.

Mr. MacEwan submitted a plan which were indicated existing boundaries of the area south of Grandin Crescent, immediately west of Grandin Road. It was pointed out that the permanent elevations on Grandin Road were lower than the gutter elevations along Gordon Crescent, and that filling in of the existing water area would only move the area filled with water closer to the pavement. Councillor Gibbons suggested that filling in of the area immediately adjacent to the residences behind Gordon Crescent would eliminate a build up of water in that area, however, building up adjacent to the residences would also prevent

drainage of the back yards, since these are relatively low.

Council accepted the recommendations of the Public Works Committee that the area be left as it is now, with ordinary maintenance to be carried out as required, such as pruning, seasonal bridge.

CONSTRUCTION APPROVED..

Mr. Codley of the 2nd St. Albert Scout Troop had previously presented his proposal to the Public Works Committee.

It was pointed out that this worthwhile project could serve as a pedestrian bridge for Marion Park residents who would want to cross the River to the Lions Park and the Grandin Dog park. Mr. Codley stated that he had been given assurances for the supply of materials and equipment to construct a half size replica, 100 feet long & 4 feet wide, of the old Father Lacombe bridge across the Sturgeon River. He did not foresee any problems to realizing the construction of this replica, since all the necessary technical assistance would be available, but suggested that the Town provide assistance in the building of approach. Discussion took place in regards to the proposed site, and the following recommendations were made:

The Committee recommends to Council to approve the construction of the bridge at the site east of the existing (alluvial) tract, between Parcel B in Block C, Plan 39782 on the north side of the River, and Block 20, of the St. Albert Settlement, on the south side of the River, and further, that the Town Engineer will encourage placing of all for the approach.

Council accepted the recommendations.

NORTHLAKE MOTEL.

CORRECTIONAL SIGN ON 400TH & 8TH L.

Mr. Roberts read a letter from Northgate Motel dated July 6th, 1966, in which it was stated that the sign had been at this location for approximately eight years. It was pointed out by Mr. Woodroffe that, if this was prior to the institution of the Development Control regulations, then this sign would not be required to be removed. There also appeared to be some question as to the location of the sign being either on Mrs. Stevenson's land, or Town owned right of way. If the latter was the case, the sign could be removed from Town owned land at no time. In the case where the sign would be located on Mrs. Stevenson's land a permit would be required for any erection after the date of the adoption of the Development Control Regulation.

Council decided that the staff should the exact location of the sign, and if enforcement is in order, that this be done.

FOREST LAWN REPILOT.

Reserve dedication in the proposed repilot scheme for the Forest Lawn area came under discussion, further to the report from Walker & Newby Ltd., dated July 10th, 1966, and comments from Mr. Woodroffe as in his letter of July 10th, 1966. It was pointed out that the area of River Lot 48, not in the proposed repilot and not previously subdivided, would not benefit from the proposed repilot, and dedication of reserve due from this land should therefore not be included in the proposed repilot. The area at the corner of Norman Road and Sir Winston Churchill Avenue, previously subdivided under Plan 400782, was considered at that time in reserve dedication, and should therefore not be included in the proposed repilot for the purpose of reserve dedication. Careful examination of reserve dedication requirements was made, and the following recommendations were brought forward:

* That Allot Finance not be included in the dedication due out of River Lot 48, since they do not benefit at this time, and are not part of the proposed repilot.

* Further, that Block F in River Lot 48, of 8.8 acres, not be included.

* That the reserve calculations by Mr. Woodroffe as per letter of July 10th, 1966, be accepted.

* That, if the Separate School Board wishes to donate the 10% reserve due from the 1.81 acres forming part of the Paul Kasse High School site in River Lot 48, this be donated out of their own funds.

* That all public reserve land due, 0.17 acres, comes from the land at the corner of Sir Winston Churchill Avenue and Norman Rd., and that the Separate School Board land in the new subdivision would be in the form of land 1.81 acres, immediately adjacent to this public reserve, and the remainder, being 2.14 acres, be at the location shown on the repilot scheme forming the first part of the new proposed school site, and that the Separate School Board be informed, in negotiations, that this 2.14 acres is not considered adequate for a complete school site.

* That the repilot scheme be approved, as proposed, and the Secretary-Treasurer and Land Surveyor be authorized together to present the owners' consent forms to the land owners and report back to Council when they have determined that

(a) more than 60.27% of the owners, by number of parcels and assessment, have consented, or

(b) they are satisfied that the necessary comments are satisfactorily.

* Further, that Council direct the Secretary-Treasurer to present the necessary money By-Law to Council when the total costs of the scheme are determined.

Council adopted all the above mentioned recommendations from the Public Works Committee.

BILLS - WALKER & NEWBY:

In regards to outstanding bills from the Consulting Engineers Firms Walker & Newby, Council made the following decisions:

* That the balance owing on invoices 400 and 402, for a total of \$404.31 (\$19.36 plus \$385.15), remain unpaid until such time as the Court action between C.R. Construction Ltd. and the Town is finalized and further that the balance of \$3,399.00 is owing on invoice No. 4473 be acknowledged as an obligation of the Town, and that further, the amount of \$2,161.85 as covered of invoice No. 4881 be acknowledged as an obligation of the Town, and further that the amounts of \$3,399.00 and \$2,161.85 be paid to Walker & Newby Ltd. as soon as the Town finances permit.

* That with regards to invoice No. 7881, it be referred to the Town staff for the following action:

Referral to the Town's Collector of the existing Engineering Services Agreement for legal advice on the application of this Agreement to the services provided to the Town by Walker & Newby Ltd. in Grandin Park, with

specific advice to be provided as to the application of the fee schedule, i.e., on the Contractor's fair value of work done or on actual costs of work done as received by the Town.

On receipt of legal advice, the staff will then apply the fee schedule as per the legal advice and determine the amounts required to have been paid by the Town for Grandin Park Engineering Services.

* Walker & Newby Ltd. invoice No. 7881 be checked to determine if this invoice records all payments made by the Town.

MACKENZIE SKATING RINK:

Mr. Wheating read a letter from the Secretary-Treasurer of the Separate School Board regarding the Sir Alexander MacKenzie Skating Rink. He also advised that the Town had informed the School Board that it did not intend to make use of the rink under the Joint Use Agreement. The Board suggested that the installation of the Prairie Skating rink would be a duplication of facilities.

The letter was received as information.

MR. W. J. YOUNG - re: RAILWAY SYMPOSIUM:

The Secretary-Treasurer read a letter from Mr. Young, advising that he would be pleased to represent the Town on the ARDA Committee, and would also be pleased to attend the Symposium to be held in September at Dauphin.

Mr. Young was authorized to attend the Symposium at Dauphin from September 4th to 6th, 1966, and will be reimbursed for actual expenses, plus mileage at 10¢ per mile.

UNION OF ALBERTA MUNICIPALITIES - TOWN TWINNING:

Mr. Wheating advised Council of a request of the U.A.M. for Council to indicate if it would be interested in the "Town Twinning" project of the Union of Quebec Municipalities, adopted for Canada's Centenary.

The Secretary-Treasurer will inform the U.A.M. that the Town is interested in this project.

UNITED COMMUNITY FUND APPEAL:

Councillor Gibbons raised the question of the United Appeal and the benefits derived from same by the residents of St. Albert. He further advised that he would look into the matter himself and bring the matter before Council at a future date, if necessary.

LUTHERAN CHURCH BUILDING AND GROUNDS:

Councillor Bakker referred to the cutting of trees removed from the Lutheran Church site and asked for a report on this matter from the staff. He stated that he had understood as many trees as possible would be retained on the site and that this had been a condition of approval given to the development. Mr. Wheating presented a report from Mr. A. R. Galt on this same matter, which advised that the destruction of the trees was being investigated and efforts would be made to remedy the situation.

FROM THE PROTESTANT SCHOOL DISTRICT

BOARD MEETING ST. ALBERT
PROTESTANT HIGH SCHOOL
BOARD ON AUGUST 18th, 1966.

PURCHASE BUS:

The Board received the written offer for sale from Mr. and Mrs. Mitchell, the Secretary-Treasurer's report on outside offers and valuations, and the Administration recommendation to purchase the 76 passenger unit. The Board accepts the offer of \$60,000.00 subject to the approval by the Minister for short term borrowing.

RELOCATION FENCE:

LEO NICKERSON SCHOOL:

A letter will be written to the Town of St. Albert on the subject of the Leo Nickerson Elementary School fence and asked to refer back to the planning of the Energy Stage V area which took place prior to the planning of boulevard and sidewalk construction in the area and to advise him that, unless there is new information which would cause revision of the Board's opinion, the Board cannot consider relocation of the fence at the East side of the school.

TENDER FOR MACKENZIE AND SIMPSON ADDITIONS:

Mr. S. Hodges, architect, arrived to speak to the Board. He reported briefly on the landscaping at the Sir George Simpson Elementary School site and the steps he is taking for review.

Mr. Hodges also presented a verbal brief on estimates of cost for school additions.

The Board decided to receive Mr. Hodges' verbal reports and request written reports and instruct the Architect to proceed to tender on the Sir Alexander Mackenzie and Sir George Simpson Junior High Schools additions.

DETENTION ISSUE FOR SIMPSON JUNIOR HIGH SCHOOL:

Final reading was given to the By-Law 5/66 a by-law relating to the issue of detentions in the amount of \$45,000.00 being a supplementary amount based on revised estimate of cost relating to By-Law 4/66 being for the purpose of erecting an addition to the Sir George Simpson Junior High School.

TO ALL OUR YOUNGSTERS!

\$50,000
In Total Awards

The youth of St. Albert have been given a challenge to develop a plan for world peace to the local Lions Club - a challenge that could earn one of the \$10,000 educational and/or research grants.

The St. Albert Lions Club, together with Lions Clubs throughout the world, is sponsoring a world-wide essay contest for the world's youth on the most important world subject today - Peace. The contest offers \$50,000 in total awards, including the \$25,000 first prize, eight second-world regional awards of \$4,000 each, and travel expenses for the eight winners to Chicago, Illinois, in July, 1967. At that time, the first prize winner will be chosen from the eight. Also, more than 20,000 local, district and multiple-district awards will be made.

"We are hopeful one of our young people will win this world-wide prestige award," President Geo. Willis of the St. Albert Lions Club said in announcing the contest locally today.

The contest, open to young people who will be 14 but less than 22 years of age as of January 1, 1967, was announced by The President of Lions International, Edward M. Lindsey, of Lawrenceburg, Tenn., during the association's Annual International Convention in New York.

"The Peace Essay Contest is divided into eight world divisions for the \$10,000 prize," President Geo. Willis said.

"Our Club's winner will advance to Lions District 31B competition in his/her effort to qualify for the multiple district contest," Mr. Geo. Willis said.

The Contest sponsored by more than 20,000 Lions Clubs in more than 130 countries in the free world will be the largest Peace Essay Contest in the world today.

"The purpose of the contest is to develop a formula for world peace because we feel peace is attainable," President Geo. Willis said.

"We want to alert our youth to the need for world peace and focus attention on that important goal," he said.

In announcing the contest internationally, President Lindsey said

that Lions International, the world's largest service club organization is well qualified to sponsor such a contest.

He said the world-wide representation of Lions, the attention given to international relations and friendship between different nationalities and their participation in international humanitarian programs were their credentials for the patronage of the contest.

Contestants should submit their entry in essay form, not to exceed 4,000 words.

"Judging will fall into four categories: 30 per cent of the essay's points will be devoted to content, ten per cent to organization, ten per cent to style and five per cent to mechanics," Mr. Geo. Willis said.

(The mechanics segment will be used to upgrade the grammatical construction of the essay.)

Three judges will be appointed to evaluate the entries submitted

Hercules Team to First Western Canada Boys Soccer Tournament

This Saturday and Sunday the St. Albert Hercules Soccer Team of the St. Albert Hercules Sports Association will participate in the First Western Canada Boys Soccer Tournament in Calgary. Teams from Kamloops, Prince Albert, Kelowna, Victoria, St. Albert, Burnaby, Lethbridge have already decided to play in this tournament.

The St. Albert team needs 1 or 2 more cars for transportation they are leaving this Saturday at 7 a.m. and will return late Sunday night. Room and a Saturday dinner will be provided by the Calgary Boys Soccer Association.

Those who will donate their car and time are kindly asked to phone 330-7187.

"in our club," Mr. Geo. Willis said.

"If our winner can advance through the judging stages up to the world finals he will receive an expense paid trip to Chicago to attend the Lions International 31st Annual Convention for the final judging of his essay in addition to the \$10,000 award."

Mr. Geo. Willis said he hoped local young people would accept the challenge and enter his club's section of the contest. Closing date for the club's contest is December 10, 1966.

"Students wishing to enter the contest should contact one of the St. Albert Lions to get full details of the contest," he said.

The age limit for the contest, includes all youth 14 but less than 22 years of age as of January 1, 1967.

Mr. Geo. Willis announced that each applicant would be limited to one entry, with one winner's essay eligible to compete in the Lions District 31B contest. Winner of district contest will be entered in state or country contest. Each country or multiple-district winner will be entered in one of the eight world divisions.

—

To stimulate interest on the club level, the St. Albert Lions Club will award \$10, \$10, and \$25, to the 1st, 2nd, and 3rd place winners in the St. Albert and district. An extra \$200.00 will also be available for prizes in the Northern Alberta District.

Silver Wedding

Mr. and Mrs. R. Lefebvre were feted by members of the Grandin Shoppes Park Businessmen's Association at the Rendez-vous Restaurant on Tuesday August 11.

A delicious banquet was served at which time Mr. Vince Ruchinsky, President, congratulated them on their Silver Anniversary. Mr. Vern Tumpaze presented them with a beautiful sectioned silver serving platter, corsage and boutonniere on behalf of the association.

Saturday, August 15th, at 7:30 p.m. in the St. Albert R.C. Church, Mr. and Mrs. R. Lefebvre repeated their marriage vows before the altar, marking their twenty-fifth anniversary. Rev. Father M. Lefebvre officiated at the ceremony and mass, and expressed his best wishes on the occasion. A son Martin served with their Godchild Claude Gauthier, while their oldest son Lawrence read the Epistle. In the sanctuary were, Rev. F. Thibault, Rev. J. Gauthier, and Rev. Brother L. L'Heureux.

Mrs. A. Raymond accompanied Mrs. Lefebvre's sisters as they sang "Je te Danse" and Rev. L. Morth who sang the "Patis Anglaises" and "Ave Maria".

The Squire of Mary is their official usher who served as Guards of Honour. Stephen Michael St. Pierre of Edmonton and Randall Lefebvre of Peterborough Ontario served as ushers.

The only daughter Therese was mistress of the reception which followed in the Parish Hall, assisted by her husband Ronald Ouellet, Master of Ceremonies. Entertainment followed provided by Mrs. L. Gauthier and sisters and Mr. Leonard & Paul Lefebvre. Mr. Andre Lefebvre of R.C. again served as Best Man, offered the toast to the happy couple, and Mrs. W. Fagnon of St. Paul attended Mrs. Lefebvre as she did twenty-one years ago.

Lawrence, on behalf of all, presented his parents with a gift of a chest of Silverware. Mrs. W. Girard, mother of the groom, presented a souvenir album which she had carefully prepared.

Numerous guests attended from Edmonton, St. Paul and St. Albert. Mr. and Mrs. C. Vidal of Minot, Mr. and Mrs. C. Family Gene Perron to Montreal

Elaine Perron, oldest daughter of Mr. and Mrs. Gene Perron, 23 Mackenzie Drive, will marry this Saturday in Montreal, consulting engineer James Twiss. Ceremonies will take place at the St. Patrick's Church in Montreal and the reception at the Holiday Inn.

Elaine left St. Albert one year ago to work for the Royal Trust Company in Montreal where she met James.

Five members of the St. Albert Perron family will travel the long 1000 miles via versa, to participate in the festivities. They will return to St. Albert this Sunday. Elaine and James will have their honeymoon for 3 weeks at the Barbados Island in the West Indies.

Mrs. Dorothy Perron - Hogan will also meet during these days her 2 brothers, John and Leo, who she hasn't seen since 1953.

The Squire of Mary is their official usher who served as Guards of Honour. Stephen Michael St. Pierre of Edmonton and Randall Lefebvre of Peterborough Ontario served as ushers.

The only daughter Therese was mistress of the reception which followed in the Parish Hall, assisted by her husband Ronald Ouellet, Master of Ceremonies. Entertainment followed provided by Mrs. L. Gauthier and sisters and Mr. Leonard & Paul Lefebvre. Mr. Andre Lefebvre of R.C. again served as Best Man, offered the toast to the happy couple, and Mrs. W. Fagnon of St. Paul attended Mrs. Lefebvre as she did twenty-one years ago.

Lawrence, on behalf of all, presented his parents with a gift of a chest of Silverware. Mrs. W. Girard, mother of the groom, presented a souvenir album which she had carefully prepared.

Numerous guests attended from Edmonton, St. Paul and St. Albert. Mr. and Mrs. C. Vidal of Minot, Mr. and Mrs. C. Garofoli of Calgary, Mr. and Mrs. Paul Lefebvre of Peterborough, Ontario, Mr. and Mrs. A. E. Lefebvre of Potash River R. C. and Mr. and Mrs. Pat Romano of Salinas, California. Messages of congratulations were received from Greenwood, Nova Scotia, Richmond B.C., Harvard California, Seaford, Texas and Cardston, Alberta.

Mr. and Mrs. Lefebvre were married August 16, 1941, in St. Paul by Rev. E. O. Brooks O.M.I. Guests were received at the home of the Bride's parents, Mr. and Mrs. S. Pitre, Magistrate of St. Paul and district.

Mr. and Mrs. R. Lefebvre of 14 Grandville Avenue, wish to thank their children, family, friends, religious associates for their expressions of congratulations and gifts on the occasion of their Silver Wedding Anniversary.

ANGLICAN CHURCH

FALL SERVICES:

Starting with September we resume our regular winter schedule of services. The Holy Communion will be celebrated at 10:00 a.m. each Sunday and a Morning Service held at 10:00 a.m.

SUNDAY SCHOOL:

Classes start on Sunday Sept. 18th, at 10:00 a.m. The teaching

program covers all ages from 6 - 14 years.

NURSERY:

This service is provided by the mothers (ladies here) for babies and they too each Sunday at 11 a.m.

FINANCIAL CAMPAIGN:

The results of the campaign held in June were very good. To date something in excess of

\$10,000 has been promised. A considerable number of calls remain to be completed after the holiday period. When the results are all in at the end of September we expect the target figure will have been reached.

Considerable work on the design of a new building has already been done. Sketch plans for the approval of the congregation are expected to be ready in November.

Unwanted Guests Removed by Mother and Son

The family Dolgins, 41 Hazel Blvd., like many as most of us, did when 7,000 honey bees have decided to build up their home in front of your door! Then we don't think about the honey not only about the stings you could get from these sweet animals. With the help of our local bee-keeper Nellie Bryant and her son Lawrence, the swarm was quickly removed from the tree into the live hive where they will start with their new Queen a new colony to produce honey for the next season. As Nellie and Lawrence Bryant (Hazel Ave.) are bee-keepers by profession we asked them to tell us more about this

very interesting insect. They told us that...

"The art of bee-keeping for a profitable project is to prevent them from swarming.

A live hive should be checked every 12 to 14 days for queen cells.

If and when a queen cell hatches the queen must move out, she in turn takes a considerable amount of bees sometimes as much as 1/2 to 2/3 of the bees who also fill themselves full of honey and take flight in search of a new home.

Sometimes they like a tree branch, house building or even on the ground for a rest while the swarms are out searching for

a suitable home, which could be in a tree, a house, barn, granary, or even over power some weak hive in a distance.

The normal procedure for capturing a swarm is to cut the branch off and set them in a paper.

But in the case of Hazel Blvd., it was a young mountain ash that was the victim, so we had to knock the bees off into a paper, therefore many bees were still flying but they soon settled again on the same limb in search of their queen, so therefore it was necessary to catch the project,

The 7,000 "Sweeties" in front of Dolgins' house. All doors and windows closed!

THE TOWN OF ST. ALBERT Public Notice

NOTICE IS HEREBY GIVEN that the Council of the TOWN OF ST. ALBERT is prepared to give consideration to the introduction of a By-Law permitting SUNDAY SPORTS in the said Town in accordance with the provisions of THE ALBERTA LORD'S DAY ACT.

AND THAT submissions in writing from groups, clubs and individuals interested in the establishment of SUNDAY SPORTS will be received by the Secretary-Treasurer of the TOWN OF ST. ALBERT until 5:00 o'clock in the afternoon on Thursday the 8th day of September A.D. 1966.

AND THAT if sufficient indication is given by groups, clubs and individuals the Council of the Town of St. Albert will at the regular meeting to be held on the 12th day of September A.D. 1966 consider the passing of a By-Law specifying the public games, contests or sports to be permitted on SUNDAYS within the said TOWN.

AND THAT before the final passing of the By-Law it shall be submitted to the vote of the electors of the said TOWN on the 13th day of October A.D. 1966 and that the by-law shall have no effect if it does not receive the assent of a majority of the electors voting thereon.

Dated at St. Albert, this 1st day of August, A.D. 1966.

Lloyd Wheating
Secretary-Treasurer.

THE TOWN OF ST. ALBERT Notice of Intention to Close Lane

WHEREAS, the Council of the Town of St. Albert deems it necessary to close a portion of a lane, hereinafter described, to make provision for resurfacing.

NOTICE IS HEREBY GIVEN of the intention of the Council of the said Town to pass a By-Law on the 10th day of September, A.D. 1966 for the purpose of closing the most easterly one hundred and eighty feet (180') of the lane situated in Block Three (3) bounded on the North by St. Thomas Street, bounded on the South by St. Louis Street (now known as St. Winston Churchill Avenue), bounded on the East by Edmonton Street as shown on Plan G, Map of the Town Plot of St. Albert, District of Alberta N.W.T. registered at the North Alberta Land Registration district of Edmonton, N.W.T. on the 3rd day of October A.D. 1967.

AND THAT in accordance with Section 285 (1) of the Town and Village Act, R.S.A. 1953, as amended, the By-Law shall be submitted to the Minister of Highways for his approval, prior to the final passing thereof.

AND THAT before the passing of the By-Law, a person who claims that land in which he is interested as owner, occupier or otherwise will be affected prejudicially by the By-Law and who petitions to be heard, shall be afforded an opportunity to be heard, either by himself, or his agent.

AND THAT a person occupying, owning or otherwise interested in land that sustains damages through the closing of the aforementioned lane, shall be compensated for such damages in accordance with the aforementioned Act.

Dated at St. Albert, This 30th day of August A.D. 1966.

Lloyd Wheating
Secretary-Treasurer.

Recreation News For Everybody

FROM THE RECREATION DIVISION:

ST. ALBERT SUMMER PLAYGROUNDS CLOSE FOR THE YEAR.

Many special events such as an art display and puppet show were held this week on the playgrounds. The last bus tour for the summer took place this week, and to give parents and idea of how these tours are operated here is the leader's weekly report:

On August 22nd, at 10:30 a.m., 43 people left St. Albert to tour the Alberta Game Farm. At 1:30 p.m., we arrived, and the children were immediately divided into groups with a leader heading each group. While slowly touring the grounds, the children had many exciting experiences such as feeding the squirrel bread, seeing the grizzly bears being fed milk from bottles, and getting near an African Elephant.

At 3:30 p.m., the small fry returned their steps and went into Deer Forest Park Grounds where they are their home. At 6:00 p.m., the bus left the farm arriving in St. Albert at 7:00 p.m. Everyone enjoyed themselves very much.

The annual Track & Field Day was held Thursday, August 25, at Mission Playground. Approximately 100 children attended from all three playgrounds. Don Cote was in charge of the meet. Mr. Al LaPraud from the Edmonton Hockey Club presented the award to Lince Park Playground for having the most points in the track meet. This is the second year in a row Lince has won this award.

The Past All-Round Playground Award was won by St. George Playground. Mayor Fowler congratulated the children and Councillor Gibson presented the award. This award is given for playground activities including:

1. Improvement, 2. Protection, 3. Equipment, 4. Program Content. St. Albert can be proud of their own leadership. Both Mission Park and Lince Park were only one point behind the winning Playground.

Congratulations to St. George, St. George, and all the children in St. George for making their PLAYGROUND the "BEST PLAYGROUND OF THE YEAR."

A dinner roast was the final event for the summer and we would like to thank the St. A. P. A. and all the mothers who helped with this event.

WAT TRIP FOR SENIOR CITIZENS:

On Wednesday, August 11, 1966, over 50 people were taken to Mission Park where fun was enjoyed by all. At 1:30 p.m., they boarded the "Little Mississauga Queen", and took a beautiful trip up the North Saskatchewan River through downtown Edmonton. Everyone had a wonderful time. We would like to thank the Callio Coach and the drivers who use their private cars for providing transportation for this event.

PROVINCIAL SWIM INSTRUCTORS CLINIC:

The Alberta Amateur Broadcast Swim Association is sponsoring a Provincial Instructors Clinic on Saturday and Sunday, September 17th, and 18th, at the University of Alberta Pool. Applications must be submitted before September 1, 1966, through the Parks & Recreation Department. For further information contact the Recreation Division at 744-1801, extension 34.

FALL CLASSES:

In September 1966, and in St. Albert Parks & Recreation Department is planning a registration night for activities to begin in the fall. Many of us arrived from last fall and winter such as Children's Arts & Crafts, Creative Needlecraft and Painting. Adult Hobbycraft, Dressmaking, Millinery and Painting will be continued this year, however, new activities and crafts will be introduced. If there is a special interest you would like to witness at a hall of the Recreation Division at 744-1801, extension 34.

Newcomers

The Welcome Wagon Newcomers' Club will hold its next General Monthly Meeting at the Clubhouse on Wednesday, the 7th of September at 7:00 p.m. This will be in the form of a dinner meeting, as will all future general meetings.

All members and newcomers who have arrived during the summer months will be contacted by telephone to find out if they will be interested in attending but anyone who has lived in St. Albert for less than two years is very welcome to come along.

The Club now has a ladies bridge group, a couples club and a bowling section formed and a mixed bowling league will be started in September on Monday evenings. Other activities will be added as the membership grows.

For more information about the September meeting contact Mrs. Joyce Moran at 399-3212 or Mrs. Joyce Lusk at 399-3529.

John Ellen Powers, daughter of Mr. & Mrs. Daniel Powers, was baptized Sunday, August 28th, by Rev. C. Léveillé, O.M.I.

Sponsors were Larry Powers and Shirley Keraszak.

John Mark Crossley, son of Mr. & Mrs. Robert Crossley, also received the sacrament of Baptism.

Sponsors were Mr. & Mrs. Daniel Powers. Officiating was Rev. C. Léveillé, O.M.I.

Reilly James Lee, son of Mr. & Mrs. Ronald Lee, was baptized Sunday, August 28th, by Rev. M. J. Lefranc, O.M.I. His sponsors were Debbie Lee and Robert Richardson.

Terence Maxel Reid, daughter of Mr. & Mrs. Jerome Reid, was baptized August 28th, by Rev. M. J. Lefranc, O.M.I. Godparents were Avery and Sheila Monseesman.

The sacrament of Matrimony was conferred on Ronald Kewin Salmon and Lois Mae Bird by Rev. C. Léveillé, O.M.I. Saturday, August 27th, in the Church of St. Albert.

REPORTS OF THE ALTAR:

A preparation program for future Knights of the Altar has begun. The basic purpose of this organization is the serving of Sunday and weekday Masses. Students who are interested in this service and who are in Grade VI or over, may join. For further information please call the Chaplain, Father Léveillé at 399-4084.

SYMPATHY:

The sympathy of the parish is extended to the Perron family on the sudden death of their brother, Alex Perron of Callander.

CATHOLIC WOMEN'S LEAGUE:

The League will hold their next regular meeting Monday, September 12th, in the Church Hall following Mass at 8:00 p.m., in the church.
